

Make life **EASY** with eStatements!

eStatements

eStatements* are e-mails containing your monthly account statement and images of your cancelled checks. Less paper, less hassles ... making your life easier.

1 They're faster.

- Your statements are e-mailed the day after your statement period ends.

2 They're secure.

- E-mails containing eStatements are password protected so you don't have to worry about identity theft.

3 They're convenient.

- eStatements look exactly the same as your paper ones *and* they're right at your fingertips - no more paper, no more filing.

4 They're **FREE!**

* If you had an account in which you did not previously receive your cancelled checks with your statement, you will now be able to receive images of your cancelled checks when you sign up for eStatements.

Sign up for eStatements today!
